

Name _____

Vintage Dreams: Augusta Frances's Journey as a Sommelier

Open-Ended Response Answer Key

1. Essential qualities and skills for a successful sommelier, based on Augusta Frances's story, include a passion for wine, a refined palate, knowledge of grape varieties, the ability to communicate and educate others about wine, and a deep appreciation for the nuances of wine.
2. Wine is important in culture and cuisine because it enhances the flavors of food, adds a social and celebratory aspect to gatherings, and reflects the unique characteristics of different regions and cultures. It contributes to the enjoyment of meals and fosters connections among people.
3. Augusta's experiences likely deepened her appreciation for the cultural and historical significance of wine, as she witnessed the traditions and stories associated with winemaking. Exploring cellars and vineyards allowed her to connect with the rich history of wine production.
4. Augusta likely aims to convey the message that wine is not just a beverage but an art form that can enhance life's moments. She wants to inspire others to explore the world of wine, appreciate its diversity, and make informed choices to elevate their wine experiences.
