

Name _____

The Space Adventures of Sam and Alex

Short Answer Questions Answers

1. Sam and Alex packed their spacesuits, freeze-dried ice cream, and a trusty rubber chicken named Cluckington for their space adventure.
2. The Chocolate Nebula was filled with chocolate asteroids and cotton candy clouds, offering delectable treats for Sam and Alex. In contrast, the Giggle Galaxy had planets that told jokes, causing them to laugh uncontrollably and even engage in a dance-off on Disco Planet.
3. Sam and Alex learned to wake up gently from their sleep on the Slumbering Star with the assistance of the Space Llamas, who were intergalactic experts in lullaby therapy.
4. The Space Llamas were known for their expertise in lullaby therapy and their ability to navigate the cosmos. They assisted Sam and Alex by rescuing them from the Slumbering Star and teaching them the art of waking up gently.
5. Upon returning to Earth after their space adventure, Sam and Alex felt a mix of nostalgia and fulfillment, cherishing the memories of their extraordinary journey while appreciating the comfort and familiarity of home.
