## The Magical Sports Equipment

### Open-Ended Response Answer Key

1. Answers will vary. Students may choose the basketball, soccer balls, or tennis rackets and describe how it would improve their performance and make the sport more exciting.
2. Students may discuss how sports promote teamwork, physical fitness, and a sense of belonging within a community.
3. Answers will vary, but students may plan a magical sports day event where the entire town can come together to enjoy games and competitions with the magical equipment.
4. Students may suggest other scenarios where a touch of magic could enhance daily life, such as magical cooking utensils that make cooking easier or magical books that transport readers to different worlds.
