## Sammy the Squirrel

Once upon a time in a silly forest, there lived a giggly squirrel named Sammy and a clumsy bunny named Benny. Sammy loved to tell jokes, and Benny, well, he loved to trip over his own big bunny feet.

One sunny day, Sammy had a hilarious idea. "Benny," he said, "let's have a race to see who can eat the most acorns in one minute!" Benny agreed, even though he knew he might trip.

The race started, and Sammy stuffed acorns into his cheeks as fast as he could, but he couldn't stop laughing at his own jokes! On the other hand, Benny hopped around and accidentally knocked acorns all over the place.

In the end, they both burst into laughter and forgot all about the race. They realized that sometimes laughter and fun were more important than winning.
