

Name _____

Superhero Squirrel Saves the Day!

Short Answer Key

1. Scooter used its lightning-fast speed to gather snacks and blankets for the picnic-goers. It then created a protective force field made of leaves to shield them from the bee attack. Finally, Scooter unleashed a powerful sonic screech to scare away the bees.
2. The news of Scooter's heroic deeds spread in the community through word of mouth and local media coverage.
3. The "Squirrel Signal" is a signal light installed in the park, similar to the one used by Batman. It was installed to honor Scooter and to alert the squirrel whenever help is needed in the park.
4. Scooter continues to watch over Oakwood Park, ready to help whenever there's a need.
5. People in Oakwood Park are leaving out extra nuts and seeds for Scooter as a way to show their appreciation and support for the squirrel's heroic actions.
