Name _____

## Balancing Act: The Pros and Cons of Standardized Testing

**Open-Ended Response Questions**

1. Do you believe that the pros of standardized testing outweigh the cons, or vice versa? Explain your reasoning.

2. What alternative methods or assessments could be used to measure student learning effectively while addressing some of the drawbacks of standardized testing, as discussed in the essay?

3. How can schools and educators strike a balance between preparing students for standardized tests and providing a well-rounded education that fosters creativity and critical thinking?
