

Name _____

The Cosmic Quest of Stella and Leo

Short Answer Key

1. They visited Xylophoria, where trees played harmonious melodies, and Cryo-Nova, with icy caves and sparkling frozen sculptures.
2. They devised a plan to seal the Celestial Rift, a cosmic anomaly threatening the universe's balance.
3. They wanted to inspire others to explore the mysteries of the cosmos and appreciate the vastness and wonder of the universe.
4. Witnessing a supernova up close was the most awe-inspiring moment because it showcased the immense beauty and power of the universe.
5. They used diplomacy and cooperation to gain the trust of alien civilizations and navigate through interstellar disputes, which proved crucial in their cosmic quest.
