

Name _____

Rockin' with Steve Harris: A Musical Journey

Open-Ended Response Answer Key

1. Steve Harris's passion for music from a young age likely provided him with the motivation and determination to pursue a career in music. It allowed him to dedicate time to practicing and perfecting his skills.
2. Steve Harris's two-fingered gallop technique became iconic in Iron Maiden's music because it created a distinctive, rhythmic sound that added a unique element to their songs, making them instantly recognizable.
3. Eddie the Head has contributed to the band's image and identity by becoming an enduring symbol of Iron Maiden's music and a visual representation of their distinctive style and themes.
4. Iron Maiden's live performances are known for their energy and connection with the audience because of Steve Harris's active stage presence, which includes running around the stage and interacting with fans. This creates an engaging and memorable experience for concertgoers.
