

Name _____

Life on Stilts

Open-Ended Questions Answer Key

1. Answer: My act would include juggling colorful balls while dancing to upbeat music. I would make it unique by wearing a costume with LED lights that change colors during the performance.
2. Answer: Stilt walking takes a lot of practice because it requires strong balance and coordination to walk on tall, thin stilts without falling. It also involves learning tricks and routines, which must be performed perfectly to stay safe.
3. Answer: They probably feel nervous at first but also excited and proud when the audience cheers. It must feel amazing to make so many people smile and enjoy the show.
4. Answer: I would choose to be a trapeze artist because I love the idea of flying through the air and performing daring tricks. It looks exciting and would be a fun way to challenge myself.
