## Memory Marketplace: A Tale of Stolen Identities

### Open-Ended Response Questions

1. Explore the concept of memory as a commodity in the story. How does the ability to buy and sell memories impact society, individuals, and the characters in the story? Discuss the ethical implications of such a world.
2. Analyze the character development of Emily from a struggling artist to a participant in the memory marketplace. How does her journey reflect her evolving understanding of the world and the consequences of memory trading?
3. Imagine a resolution to the story. How might Emily confront the Mnemocrats and their conspiracy, and what choices might she make to protect her identity and those of others? Discuss the potential outcomes of her actions.
4. Reflect on the theme of identity and its significance in the story. How does the threat of having one's memories stolen relate to the loss of one's identity? Discuss how characters in the story grapple with questions of identity and self-discovery.
