1. Mayor Maestro Melody's habit of conducting imaginary orchestras while walking his pet goldfish, Beethoven, adds humor to the story by highlighting his eccentricity and setting a whimsical tone for Streamtopia. It conveys the message that imagination knows no bounds and that the characters in the story are delightfully unconventional.
2. "Fishify" as a music streaming service exclusively for fish showcases the fish's amusing reaction to unconventional tunes, creating humor and spectacle. It represents the idea that music can transcend boundaries and bring joy to unexpected places. The story uses humor to emphasize the transformative power of music and the newfound fame of Streamtopia.
3. The impact of Fishify on Streamtopia includes an influx of tourists and visitors attracted to the musical fish performances, making it the town's main attraction. This impact reflects the transformative power of music and the ability to create unique attractions. Humor is used to highlight the town's newfound fame and the universal appeal of music.
4. The chaos in the music industry caused by Fishify reflects the impact of music streaming on the industry, with musicians attempting to compose fish-approved tunes. This chaos humorously underscores the adaptability of musicians and the ever-evolving nature of music. The story suggests that musicians must adapt to new trends and challenges in the music landscape.
