

Name _____

Test Day Triumph

Open-Ended Response Answer Key

1. The poem may describe whispers hushing to create a sense of focus and concentration during the important test day, as it's a time for students to concentrate on their thoughts and the task at hand.
2. The poem suggests that during challenging times, individuals can discover inner strength and determination to face and overcome obstacles.
3. Possible answers include studying together, helping each other, and providing support and encouragement to classmates.
4. The theme of working together and finding inner strength can apply to various situations in life, such as group projects, sports, or personal challenges.
