

Name _____

World's Largest Ice Cream Sundae Delights the City!

Open-Ended Response Answer Key

1. Volunteers and machines likely felt a sense of excitement and accomplishment while working together to create the massive sundae. They may have felt proud of being part of a fun and record-breaking event that brought joy to so many people.
2. Answers will vary, but students might come up with creative dessert ideas like a giant cookie tower with layers of different flavors, or a humongous banana split with multiple ice cream scoops and toppings.
3. Sweet treats like ice cream sundaes can bring people together because they evoke feelings of happiness and nostalgia. They create a sense of celebration and are often associated with special occasions and shared moments of joy.
4. Event organizers would need to consider logistics such as securing a large venue, sourcing massive quantities of ingredients, coordinating volunteers, ensuring food safety, and promoting the event to attract a crowd.
