

Name _____

The Skateboarder's Superpowered Ride

Short Answer Key

1. Max found the mysterious skateboard in an abandoned parking lot, covered in dust and cobwebs. Its unique design and shimmering symbols caught Max's attention, prompting them to try it out.
2. Max used their superpowers to benefit the Crestwood community by performing acts of kindness such as cleaning up a vandalized park and rescuing a cat from a tree. These actions inspired others to join in, creating a more compassionate neighborhood.
3. The "Skate Guardians" were a hidden society in Crestwood responsible for protecting the skateboard's mystical powers. They revealed themselves to Max and chose them as the next Skate Guardian to safeguard the skateboard's powers and ensure they were used for good.
4. Max's perspective evolved as they realized the importance of using their unique gifts for the greater good and the responsibility that came with their powers. They valued kindness, unity, and community above personal fame or glory.
5. The mysterious skateboard symbolized the potential for adventure and positive change. It inspired Max to become a hero in their community and motivated others to embrace their own unique talents for the betterment of Crestwood.
