## The Surreal World of Salvador Dalí: The Persistence of Memory

### Open-Ended Response Answer Key

1. Answers will vary but should demonstrate creativity and an understanding of the surreal landscape depicted in the painting.
2. Answers will vary, but questions might include asking about his inspirations for the artwork, the specific meanings behind certain elements, and his thoughts on the role of art in challenging conventional reality.
3. Responses will vary. Encourage students to use their imagination to create an artwork inspired by "The Persistence of Memory" and explain the symbolism and emotions conveyed.
4. Answers will vary. Students should provide reasons for their beliefs, considering the interpretive nature of art and providing examples from the painting to support their opinions.
