

Name _____

Cracking the Code: Symbols and the Football Field

Short Answer

1. Explain the significance of the 50-yard line on an American football field.
2. How do yard lines help both teams and fans during a football game?
3. What is the primary role of hash marks on the field, and how do they affect the placement of the football?
4. Describe the objective of advancing the ball into the end zone in American football.
5. How do goal posts come into play during a field goal attempt, and how many points are earned if successful?
