

Name _____

Terrific Tacos Fiesta

Short Answer

1. How can you tell when the meat is cooked through and ready for taco seasoning?
2. Why is it important to stir the seasoned meat while it simmers?
3. Name two optional toppings you can add to your tacos.
4. How should you serve the taco toppings to make it easy for everyone to assemble their tacos?
5. What can you use to break apart the meat while it's cooking?
