## The Talking Toilet of Terror

### Open Ended Questions Answers

1. Answers may vary, but many might say that even though the Talking Toilet was initially amusing, its constant chatter became annoying because it disrupted their privacy and peace during bathroom breaks.
2. Answers may vary, but some ideas for stopping the Talking Toilet might include disconnecting it from power, covering its speaker, or finding a way to reprogram it to be less talkative.
3. Answers may vary, but some might think that the Talking Toilet's ominous comment suggests that it might return in the future, while others might believe it was just a parting joke.
4. Answers may vary, but some might think the family would be surprised and possibly annoyed if the Talking Toilet returned, while others might find it amusing and welcome its return.
