

Name _____

Teamwork Colors

Open-Ended Response Answer Key

1. Answers will vary, but students should describe a crayon's feelings and suggest a way it could be used differently.
2. Answers should connect the crayons' teamwork to how people need to communicate and listen in groups.
3. Answers should explain how fairness leads to more creativity and better results.
4. Answers should describe a personal teamwork experience and reflect on the importance of including everyone's ideas.
