

Name _____

Mark Zuckerberg: The Creator of Facebook

Open-Ended Response Answer Key

1. Social media has made it easier for people to stay in touch, but it also has challenges like privacy and misinformation.
2. We can learn that having a great idea, working hard, and not giving up can lead to success.
3. I would ask him how he stays creative and comes up with new ideas for technology.
4. Social media has both positive and negative effects. It helps people connect but can also spread false information.
