

Name _____

Driving Age Debate: The Road to Safer Teen Drivers

Multiple Choice Answer Key

1. c) Raising the driving age would lead to safer roads and fewer accidents.
2. b) Due to inexperience, immaturity, and risk-taking tendencies.
3. c) It would provide teenagers with more time to focus on education and personal development.
4. c) It reduces the number of teenagers on the road, potentially decreasing risky behaviors.
5. a) Inconvenience is a small price to pay for safer roads.
