## Driving Age Debate: The Road to Safer Teen Drivers

### Short Answer Key

1. Inexperience, immaturity, and risk-taking tendencies.
2. By reducing the number of teenagers on the road, potentially decreasing risky behaviors.
3. Public transportation, carpooling, and other alternatives.
4. Concerns about inconvenience and limiting teenagers' access to opportunities.
5. Developing better decision-making skills, focusing on studies, and becoming more responsible individuals.
