

Name _____

The Magical Tennis Racket

Open-Ended Response Answer Key

1. Lily probably felt excited and amazed when she first discovered the magical racket because it allowed her to do something incredible with her tennis skills.
2. During a tennis match, Lily used the magical racket to control the ball's movements, which made her feel confident and capable of performing amazing tricks on the court.
3. Lily decided to use an ordinary racket because she believed in the importance of hard work and dedication. Whether one agrees with her decision depends on their own perspective, but it shows her commitment to improving through her own efforts.
4. Qualities like dedication, hard work, perseverance, and a passion for what you do are essential for becoming great at something, just like Lily did in tennis.
