

Name _____

Texts from the Future

Short Answer Questions

1. How does Tim initially react to the first text message claiming to be from the future, and what motivates him to respond?
2. Provide an example of a practical message Tim receives from his "future self" and how it benefits him.
3. Describe Tim's experience with the talking parrot at the pet store and the nature of the parrot's knowledge.
4. What do the text messages become as time passes, and how do they affect Tim's life?
5. How does Tim eventually discover the source of the mysterious text messages, and what action does he take to stop them?
