

Name _____

The Hidden Letter

Short Answer Key

1. Emily found a stack of faded letters in the attic, and it caused tension and turmoil within the family as it revealed a hidden secret about her father's past.
2. Margaret was John's first love, and her existence caused tension because her letters revealed a past engagement and relationship with John that he had kept secret from his family.
3. John kept his past with Margaret a secret because he didn't want to hurt Mary and thought it was unnecessary to bring up the past.
4. David suggested that the family travel to find Margaret and confront the situation, which ultimately led to a resolution of their turmoil.
5. The family learned the importance of forgiveness and facing secrets together during their visit to Margaret's cottage.
