

Name _____

The Memory Thief

Open Ended Questions Answers

1. The Memory Thief steals memories by attending unusual events or situations, disguising himself, and then snatching a memory that strikes him as particularly funny or absurd. His motivation is purely for personal amusement, as he enjoys collecting bizarre memories.
2. The stolen memory from Bob adds humor to the story by being a ridiculous and embarrassing situation. It emphasizes the theme of absurdity and showcases the Memory Thief's penchant for the peculiar.
3. Disguises play a crucial role in the story as they enable the Memory Thief to blend in and approach his targets unnoticed. They add to the comedic elements by making his appearances even more ludicrous, contributing to the story's whimsical atmosphere.
4. Lucy Larkspur is characterized by her determination and expertise in tracking down lost memories. Her skills as a forgetfulness detective, combined with her tenacity, make her a formidable adversary for the Memory Thief. She adds depth to the story by introducing the conflict and pursuit element.
