

Name _____

The Power of Choice

Short Answer Key

1. The community believes that sameness prevents problems, such as jealousy, pain, and conflict.
2. Jonas realizes that his world is not perfect—it is missing color, love, and freedom.
3. Jonas could no longer ignore the truth. He had experienced real emotions and knew his community was missing something important.
4. Jonas realizes that his parents do not love him because they do not understand what love is. They only follow rules.
5. Gabriel was going to be released because he did not develop as quickly as expected. Jonas wanted to save him from this fate.
