

Name _____

The Road to Revolution

Short Answer Key

1. The colonists believed they should not be taxed by Britain because they had no representatives in Parliament.
2. John Locke's ideas about natural rights inspired colonists to believe they could change an unfair government.
3. The Boston Massacre made colonists angry because British soldiers killed five colonists.
4. Britain punished Boston with the Intolerable Acts.
5. The American Revolution began at Lexington and Concord in 1775.
