

Name _____

Threads of Change

Open-Ended Response Answer Key

1. Throughout her journey, Lily's passion for vintage fashion and sustainability evolved as she learned more about the fashion industry's environmental impact. She started as a lover of vintage fashion, but her experiences led her to become an advocate for sustainable choices. Her mission to promote eco-friendly fashion choices was shaped by her belief that fashion could be beautiful and environmentally responsible.
2. Lily faced challenges and criticism from those who resisted change and believed that sustainable fashion was a passing trend. She responded by staying true to her mission, educating others, and collaborating with like-minded individuals. Her commitment to creating a more sustainable future kept her focused on her cause.
3. Lily's collaboration with Isabella Gray contributed to the advancement of sustainable fashion practices through initiatives that supported ethical production and sustainable sourcing. They set an example for the fashion industry by prioritizing fair labor practices and eco-friendly materials in their designs, inspiring others to follow suit.
4. Lily's decision to attend the university with an environmental sustainability program aligned with her values and allowed her to further her impact in the field of sustainable fashion. She continued to educate and inspire others, create eco-conscious clothing, and advocate for responsible fashion practices, leaving a lasting legacy in the industry.
