

Name _____

The TikTok Time Capsule

Open Ended Questions

1. Reflect on the significance of capturing moments through social media trends like TikTok challenges. How can these trends become meaningful memories over time?
2. Discuss how friendships can evolve over a decade and how the TikTok Time Capsule served as a reminder of the friends' bond.
3. Imagine you were part of the group of friends. What TikTok video would you have suggested to include in the time capsule, and why?
4. Consider the role of technology and social media in shaping our memories and experiences. How do you think people will view their pasts in the future, given the prevalence of platforms like TikTok?
