

Name _____

Journey Through Time

Short Answer Key

1. The time-traveling diary had weathered pages and an ornate cover.
2. Emma visited Ancient Egypt, Renaissance Italy, and the American Revolution. In Ancient Egypt, she met Cleopatra and witnessed the construction of the Great Sphinx. In Renaissance Italy, she met Leonardo da Vinci and marveled at his inventions. During the American Revolution, she stood beside George Washington during his crossing of the Delaware River.
3. Emma's interactions with historical figures and events expanded her knowledge and understanding of history. They allowed her to witness firsthand the significance of these moments and connect with the past on a personal level.
4. The time-traveling diary changed Emma's perspective on time and history by allowing her to experience the past directly. It became a powerful tool for learning and exploration, shaping her worldview and inspiring her curiosity.
5. Answers may vary. Possible eras or events to visit could include Ancient Greece to meet philosophers, the Renaissance to witness artistic achievements, or the signing of the Declaration of Independence to observe a pivotal moment in American history.
