Name _____

The Social Media Time Capsule

Open-Ended Response Questions

1. If you were to create a time capsule representing the current era of social media, what items or trends would you include, and why?

2. How do you think the experience of exploring the early days of social media affected the narrator's perspective on their own online presence and connections?

3. What challenges do you think the narrator might encounter as they work on their social media time capsule, and how might they overcome them?

4. How has social media changed the way people connect and communicate with each other, both positively and negatively?
