

Name _____

The Magical Time-Traveling Adventure

Short Answer Key

1. Alex found a mysterious pocket watch-like device in the attic, which turned out to be a magical time-traveling device.
2. The first historical figure Alex met was Abraham Lincoln, and they talked about freedom and equality.
3. Amelia Earhart was preparing for a daring flight across the Atlantic Ocean, and Alex helped her check the plane and had a picnic together.
4. Albert Einstein explained his theory of relativity to Alex, and they found themselves in a cozy study filled with books and scientific instruments.
5. Alex learned that history is not just a bunch of old stories but a living part of our world. They learned valuable lessons about courage, equality, and the wonders of science.
