

Name _____

The Diary of a Time-Traveling Llama

Short Answer Questions Answers

1. Lorenzo discovered the magical diary by finding an ancient stone tablet that transformed into a diary when he touched it. The diary allowed him to travel through time by selecting specific dates on its pages.
2. One of Lorenzo's time-traveling adventures took him to the time of the Inca Empire, where he learned about their advanced civilization and enjoyed a llama parade. He learned to appreciate history from a different perspective.
3. Lorenzo decided to hide the magical diary to ensure that it couldn't be misused by others. He hid it in a secret cave to keep it safe.
4. Lorenzo's mission after his time-traveling adventures was to preserve history and appreciate it from the present.
5. Lorenzo chose to live back in the Andes Mountains after his adventures because he realized there was no place like home.
