

Name _____

The Quantum Rift: Guardians of the Timefold

Short Answer Key

1. The beings had abilities such as telekinesis, time manipulation, and shape-shifting.
2. Their primary challenge was to repair the Quantum Rift and prevent it from collapsing, which would have caused disruptions across the multiverse.
3. The Chrono-Wraith was a malevolent entity seeking to exploit the Quantum Rift for its own gain. Its role was to serve as the main antagonist and challenge the Guardians of the Timefold.
4. They learned to control their abilities and received guidance from the Timefold Guardians they encountered, using their combined knowledge and strengths to confront the Chrono-Wraith.
