## The Quest for the Timeless Hourglass

### Open-Ended Response Answer Key

1. Jake decided to embark on the quest to find the Timeless Hourglass and explore the mysteries of history because of his insatiable curiosity and his dream of witnessing and learning from the past. The idea of having the power to travel through time fascinated him.
2. Jake developed qualities such as critical thinking, adaptability, and a deep appreciation for the importance of historical events during his time-traveling adventures.
3. One unique historical event they might have encountered during their journey through time could be the "First Moon Landing" in 1969, where they witnessed Neil Armstrong taking his historic steps on the moon's surface, experiencing the wonder and significance of space exploration.
4. By the end of the story, Jake realized that the true power of the Timeless Hourglass lay not just in changing history but in the incredible journey it had taken him on and the lessons he had learned from the past.
