

Name _____

Timeless Tune

Open-Ended Response Questions

1. Why do you think some children's songs last for many generations while others are forgotten?
2. Can you think of another song that has been passed down for many years? Why do you think people still sing it?
3. If you could change the song to teach a new lesson, what would you add or change?
4. How do you think music helps children learn compared to regular lessons?
