

Name _____

Titanic: The Unsinkable Ship's Tragic Voyage

Open-Ended Response Answer Key

1. Answers may vary but could include discussions of the ship's advanced safety features, the lack of a sufficient number of lifeboats, and overconfidence in the ship's design and construction.
2. Answers may vary, but students can describe their experience, emotions, and actions during the Titanic's sinking, focusing on their efforts to survive or their challenges in the chaotic situation.
3. Reflect on why the Titanic continues to capture the public's imagination, citing movies, books, and documentaries that have kept its story alive.
4. Explore the importance of underwater exploration and the discovery of the Titanic wreck in preserving the memory of the tragedy and its lessons, as well as the ongoing scientific discoveries related to the site.
