## Titian: The Master of Color and Brushstrokes

### Open-Ended Response Questions

1. Imagine you are writing a letter to Titian, and you can ask him one question about his life or art. What would your question be, and why is it important to you?
2. Compare Titian's portraiture style with that of another Renaissance artist, such as Leonardo da Vinci or Raphael. What unique qualities and approaches did Titian bring to his portrait paintings?
3. Explore the impact of Titian's use of color and brushwork on the emotional impact of his paintings. How do his techniques enhance the viewer's experience of his art?
4. Discuss the enduring legacy of Titian's art. How have his contributions influenced artists and art movements throughout history, and why do his works continue to be admired and studied today?
