

Name _____

Street Code: The Rise of T-Money

Short Answer Key

1. T-Money is inspired to turn the abandoned subway station into an underground art haven by the dark, forgotten tunnels and the opportunity to create a unique space for their graffiti art.
2. The rivalry with The Vipers changes the course of T-Money's actions and those of his crew by igniting a graffiti war and pushing them to defend their turf and protect their underground art sanctuary. It tests their unity and determination.
3. One obstacle they face during their graffiti war with The Vipers is the challenge of creating the most stunning masterpiece in the city.
4. T-Money's graffiti art impacts his sense of identity by becoming a symbol of his rebellion and self-expression in the city. It shapes his sense of belonging by marking his presence and making a statement about who he is and what he stands for.
5. T-Money and his friends learn the importance of unity and friendship through their experiences by realizing that they must rely on each other and work together to defend their underground art sanctuary. These values play a crucial role in their journey as they face challenges and obstacles.
