## The Toilet Paper Rebellion

### Short Answer Questions Answers

1. Rollie was the fearless leader of the TP Gang and played a key role in planning and executing the Toilet Paper Rebellion.
2. The townspeople and the TP Gang reached a compromise where toilet paper rolls would be treated with respect, and the TP Gang would stop causing chaos in Rollington.
3. The brave group of kids used water guns and water balloons to confront the TP Gang because they wanted to stop the TP Gang's rebellion without causing harm or damage.
4. When the TP Gang realized they were no match for the kids in the water balloon battle, they surrendered and promised to stop their rebellion.
5. The TP Gang learned that it's better to find peaceful solutions and compromise rather than causing chaos and rebellion.
