## Tom's Journey

### Short Answer Key

1. At first, Tom only cares about himself, but by the end, he wants to help others and fight for justice.
2. They believe there will be plenty of jobs and opportunities, but they later learn that life is still hard there.
3. Jim Casy teaches Tom that workers must come together to fight for fair treatment and better lives.
4. Tom realizes that people like Casy are trying to make life better for all workers, and he wants to continue that mission.
5. He means that even if he is not physically with her, he will always be helping people who are suffering.
