

Name _____

Sewing Essentials: Tools and Supplies for Crafting Magic

Open-Ended Response Questions

1. Imagine you are working on a project that requires sewing a stretchy waistband. Describe how elastic would be useful in this project and how you would use it.
2. Share a personal experience where having the right sewing tools and supplies made a significant difference in the outcome of your sewing project.
3. Explain why selecting the correct needle for your sewing project is crucial. Provide an example of when you might choose a ballpoint needle over a universal needle.
4. Imagine you are starting a sewing project using a delicate silk fabric. List the specific tools and supplies you would gather before beginning, and explain why each one is necessary for this particular project.
