

Name _____

Totalitarianism: Absolute Control and Its Implications

Short Answer

1. Explain how propaganda is used as a tool of control in totalitarian regimes.
2. Describe a situation where the lack of individual freedoms in totalitarianism may lead to human rights abuses.
3. Provide an example of how a totalitarian government might suppress dissent and opposition.
4. How can a totalitarian regime address the risk of poor decision-making and a lack of accountability?
5. Discuss the concept of centralized authority in the context of totalitarianism and its implications for governance.
