

Name _____

The Animal Translator

Short Answer Key

1. Alex discovered that the pigeons were gossiping about a bird mistaking a shiny earring for a worm. This made Alex feel amused and entertained.
2. The squirrels laughed at their own mistake and likely went in search of actual acorns.
3. Alex and Max played fetch and had a friendly conversation about their favorite games. It went well, and they enjoyed their time together.
4. The ducks seemed interested in the Animal Translator and were open to receiving snacks from Alex. Alex shared breadcrumbs with them and engaged in a friendly conversation.
5. Alex encountered a bear struggling to find honey without disturbing the bees. They worked together to devise a plan to locate honey safely without disturbing the bees, and the bear appreciated Alex's assistance.
