

Name _____

Musical Time Travel Adventure

Short Answer Key

1. The friends received special invitations to a magical concert.
2. Answers may vary, but students could describe a place they visited during the musical journey, such as Vienna, Austria, and how it felt to be there during Beethoven's performance.
3. When they danced to Mozart's lively waltz, the friends likely felt joyful and filled with the spirit of the music.
4. Answers may vary, but students could name a composer's music the friends experienced and describe how it made them feel, such as feeling the excitement of Tchaikovsky's "Swan Lake."
5. The magical centerpiece of the evening's concert was a musical time machine.
