

Name _____

The Jolly Pirate's Treasure Hunt

Open-Ended Response Answer Key

1. Answers will vary, but a response might describe the pirate's heart pounding with excitement as they unearthed the treasure chest, feeling a rush of happiness and relief. They may have cheered and hugged their fellow pirates.
2. Successful pirate crews possess qualities like teamwork, courage, determination, and the ability to navigate the seas while following maps and clues.
3. Answers will vary, but students might include landmarks like palm trees, hidden caves, and drawings of the treasure chest itself as clues.
4. After their successful treasure hunt, the jolly pirates likely enjoyed a life of luxury, shared their wealth with friends and family, and continued to seek new adventures.
