## Treasures of the Titanic

### Open-Ended Questions Answer Key

1. Artifacts give us a glimpse into the lives, culture, and events of the past, helping history come alive.
2. The Titanic teaches us the importance of safety precautions and being prepared for emergencies.
3. I would recover a piece of jewelry because it would connect to the personal stories of passengers.
4. Exploring the Titanic wreck helps us learn more about history, but it's also important to respect it as a grave site.
