## Children's Rights Around the World: International Treaties and Conventions

### Short Answer

1. What are some key rights outlined in the Convention on the Rights of the Child (CRC)?
2. How do international treaties protect children's rights, and what role do accountability and monitoring play in this protection?
3. Name one regional treaty related to children's rights and explain its focus.
4. What are some of the key provisions of the Optional Protocols to the CRC?
5. Why are international treaties and conventions related to children's rights important for ensuring a better future for children worldwide?
