## Time-Traveling Treehouse

### Open Ended Questions Answers

1. Max and Lily's love for science and adventure led them to brainstorm and build the time-traveling treehouse as a way to explore history and the future.
2. One of the adventures Max and Lily had with the time-traveling treehouse was when they traveled to the days of knights and castles. They met a friendly dragon and learned about medieval times and chivalry.
3. If Max and Lily had not given their younger selves guidance, it's possible that their younger selves would have faced more challenges in completing the treehouse, or it might not have been finished at all.
4. The time-traveling treehouse strengthened Max and Lily's friendship as they shared exciting adventures and memories, working together to overcome challenges and learn from their experiences.
